**Special Land Partition Application Instructions to Owners of Land Receiving Water From an Irrigation District:** If you own land located within an Irrigation District, please contact the district prior to submitting your land partition application. The district may have special requirements which may affect your land partition. Oregon Revised Statute 92.090(6) requires Irrigation District review of all land partitions and subdivisions located within an Irrigation District. Compliance with district requirements will be made a condition of approval of your application. Verification of review may be indicated in writing or with an authorized signature on your preliminary plat.
